

Regain your active lifestyle.

Dr. Kyle J. Kinmon and all of the physicians, surgeons and staff of Certified Foot and Ankle Specialists, PL are dedicated to excellence in providing their patients and the community with advanced, comprehensive conservative and surgical treatment of the foot, ankle and lower leg in a caring and compassionate environment, holding themselves to the highest standards of continuing education and training in emerging techniques, achieving elite levels of board certification, and educating their patients, fellow and future physicians in the evolving field of foot and ankle surgery. Dr Kinmon listens closely to his patients, realizing that every person's circumstances are different. He uses state of the art Diagnostic and Treatment methods, with surgery as a last resort, and is committed to providing the highest quality of foot and ankle care with uncompromising integrity and sincere compassion.
